

Clark & Jackson County ATV Trails

In Case Of Emergency - DIAL 911
JACKSON COUNTY EMERGENCY SIGNING

Blue posts with red numbers are located along the trail in the event that an emergency occurs. The top number on the post corresponds to the trail segment you are on and the bottom number is the mileage marker. If you need assistance, here is what you should do:

1. Locate a blue post and dial 911.
2. Tell the dispatcher that you are on the ATV trail and need assistance.
3. Read the top number and the bottom number to the dispatcher and follow their instructions.

Intersection signs with red numbers are located at all trail intersections. The numbers have integrated on the map.

CLARK COUNTY EMERGENCY SIGNING

Common red & white emergency locator signs are installed throughout the trail system at intersections, not all trail intersections may have a sign. Locate a sign and dial 911.

Additionally, 9" x 9" white numbers on brown background signs are also located at intersections. A specific number and reference to Clark County have been integrated on the map.
