FOR IMMEDIATE RELEASE

March 18, 2020

**An update to our Valued Guests regarding COVID – 19**

Based on the recommendations from the Centers for Disease Control (CDC) and Prevention, Ho-Chunk Nation Health Department, the current State of Emergencies within the Ho-Chunk Nation, State of Wisconsin as well as nearby Wisconsin Rapids; Ho-Chunk Gaming Nekoosa will be temporarily closing at 11:59PM on March 18. This will be a minimum two-week closure to the public.

The health and safety of our guests and team members continue to be our highest priority as we plan to disinfect and sanitize public areas and work stations within the facility to ensure a safe environment for all. As of 5PM on March 17; the Lounge, the Snack Bar and The Grille have already been closed per the Ho-Chunk Nation's Office of the President to align with the Executive Order of Governor Evers regarding restaurants and bars.

Beginning the week of March 22, team members are encouraged to take time off as needed, but our goal is to keep everybody working to create a safe environment in and around our building. Operations beyond April 4 will be reevaluated at a later date. There will be no disruption of health benefits for any team members during this time.

To our guests, we appreciate your patience during this uncertain time. All of us must do our part to reduce the spread of this virus. Please follow our social media channels for the latest information regarding the re-opening of our facility.
